Association of Romanian Communes -  
ACoR

To the kind attention of  
Mr Emil Draghici, President  
Cc: Mr. Sergiu Tara, Executive Director

Dear Mr Draghici,

We have the pleasure to inform you that the application of the Association of Romanian Communes (ACoR) for membership in NALAS has been unanimously approved by the NALAS Committee of Liaison Officers held in Podgorica on 6-7 November 2009. As of 7 December 2009, your association has a status of NALAS full member and is entitled to the rights and obligations as described in the NALAS statute.

Find attached the NALAS Statute, the Strategic Plan, the Task Force Management Guide and the invoice for the Membership Fee for 2009.

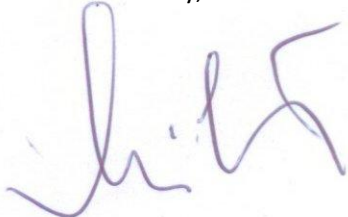

ACoR should be represented in the NALAS statutory bodies as follows:

1. Two ACoR delegates for the NALAS General Assembly. ACoR Board should decide on which local elected officials will represent your organization in the NALAS GA. (see NALAS statute)
2. A Liaison Officer and possibly a Deputy Liaison Officer should represent ACoR at the NALAS Committee of Liaison Officers. This should also be an ACoR Board decision. (see NALAS statute)

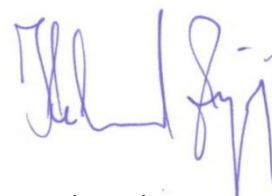

In addition, ACoR may assign experts for the NALAS Task Forces on Fiscal Decentralization, Urban Planning, Energy Efficiency and Solid Waste Management. The ACoR Liaison Officer will automatically be a member of the NALAS Task Force on Association Development. (see the NALAS Task Force Management Guide)

The NALAS members welcome your enrolment in the network and are very eager to receiving your input in our overall activities.

Yours sincerely,
